

```
gnuplotio::ArrayTraitsDefaults  
    < T::value_type >
```

A diagram showing a relationship between two C++ type aliases. A blue arrow points upwards from the bottom box to the top box, indicating that the bottom type inherits from or is a specialization of the top type.

```
gnuplotio::ArrayTraits  
    < T, typename boost::enable  
_if< is_like_stl_container  
    < T > >::type >
```
